

1st October 2021

Dear church leader/ministry partner,

I am pleased to be able to advertise an opportunity for someone to join the LiNX team! The job description attached to this letter gives further details, and any questions can of course be sent directly to me.

After 24 years, LiNX continues to reach and support young people with the love of Jesus, in the secondary schools across Torbay. The team have obviously had to innovate the work quite drastically this last 18 months e.g. producing video content, teaching live lessons via video conferencing, or delivering mentoring sessions via zoom. Ultimately, the work carries on, and we are committed to seeing it continue in every season, even if the format changes!

None of our work, however, would be as effective without the ongoing administrative support of someone 'behind the scenes', making the front-line youth work possible. In August, we said farewell to Chris Carter who served LiNX for over 15yrs, and we wish her every blessing in her retirement. Whilst we are sad to see Chris go, we are also excited to meet the person that will join us as we move forward into a new season. We are therefore looking for suitable candidates for the role of LiNX Administrator, working 12hrs per week. If you would like to know more about LiNX and what we do, please visit our website www.linxyouth.net or look us up on [Facebook](https://www.facebook.com/linxyouth).

We are requesting that applications be made via email to the current Project Manager at tim@linxyouth.net (no more than 750 words), demonstrating the following:

- Relevant experience
- Suitability for the role, both professionally & spiritually
- Heart for youth & schools ministry
- Two references (name, address, telephone number, email), one being part of the church leadership team

I would be very grateful if you could pass this on to members of your church community that you believe would be interested. Or, perhaps it could be distributed via a church network too, whatever you think is most effective.

Yours sincerely,

Tim Funnell
Project Manager
LiNX Christian Youth Trust
