

Prayer Newsletter March 2021

Bible Focus Psalm 73:25-26 (NCV)

“I have no one in heaven but you; I want nothing on earth besides you. My body and my mind may become weak, but God is my strength. He is mine forever.”

Charlie Haywood

Please pray for more opportunities to go into the schools once lockdown restrictions are eased, particularly to do some mentoring with young people if possible. There will be a lot of focus on the students well-being and mental health going forward and we are in a great position to provide valuable support to the schools in this area.

Jordan Williams

Please pray for the return to Brunel Academy and the Medical Tuition Service. These are both school sites that still have their students in attendance. They have requested that mentoring returns this half term and we are exploring how we do that safely. Please pray for Torquay Academy as we make contact to see how we can support them once their students return throughout this month.

Tim Funnell

With news this week of schools returning from 8th March, we must continue to pray for all those involved in making this logistically possible. Please join us in praying for the mammoth task of coordinating the on-site testing for all students and staff at the secondary schools across our community. Perhaps pray specifically for the secondary school closest to your home, or the one that you know young people from your family or church are going to. Lord keep them all safe and well, and more than that Lord, please help them to thrive despite the challenging ongoing circumstances.

Matt Turner

Alongside the rest of the team we're still working to create resources for schools that can be delivered remotely as well as in the classroom. Please pray for us as we do this that we would find the right words to communicate the message and good news of Jesus in these new ways.

Chris Carter

Please pray for the team as we continue to hold team meetings virtually, pray this continues to be effective until we can meet in person. Please also pray for our preparation work for our next newsletter, which will be going out in April, pray for the writing of the content and for the final artwork to go smoothly.

Philip Eley

I am involved in some on-line lessons at Paignton Academy, so I'd love some prayer for these. Pray that, even virtually, I can continue to build connection and relationship with the young people and support them in their learning and wellbeing. Also pray for the right opportunities in schools as lockdown begins to ease. We have lots of exciting new plans and projects, as well as anticipating returning to a lot of the usual activities. Pray for wisdom around time-management and pursuing the right opportunities.

24/7 Prayer Week

From the 8th - 14th March our friends at SWYM are coordinating a 24/7 prayer week praying for the children and young people of the South West.

We'd love to invite you to join us at LiNX in this.
